RE: Community Crossings Matching Grant Fund

Dear Mayor Wyatt,

Congratulations!

Your community has preliminarily been awarded \$679,445.38 in Community Crossings Matching Grant Funds based upon your estimates for the projects you submitted. Please understand that preliminary award amounts are contingent upon you obtaining a fully-executed agreement with a contractor with a final bid award amount.

The Community Crossings Matching Grant Funds, which are administered by the Indiana Department of Transportation (INDOT), will be used for funding up to 50 percent of the construction of your project. We are confident that these grant dollars will enable you to help build and improve Indiana's infrastructure. The preliminarily-awarded amount is the Approved Project Allocation for the project so please keep that in mind with regard to the scope of your project and budget.

You will be assigned an INDOT Project Manager who will assist you with questions and final closeouts of your projects. All Local Units of Government need to demonstrate a willingness to complete your project in a timely manner. The steps to start your project are as follows:

1. A Project Manager and a Designation Number 1601385 have already been assigned by the district to your projects.
2. Since this is a new program, INDOT will be hosting Early Coordination Meetings for all recipients of Community Crossings Matching Grant Funds at each district. District meeting times and places are as follows:
 - September 12, 2016 – Seymour District INDOT Office 10:00 AM and 1:00 PM
 - September 13, 2016 – Crawfordsville Public Library, 205 S. Washington St. Room B & C – 10:00 AM and 1:00 PM
 - September 14, 2016 – La Porte District INDOT Office - 10:00 AM and 1:00 PM
 - September 15, 2016 – Greenfield District INDOT Office – 10:00 AM and 1:00 PM
